Class Dates

McCartyney Irish Dance's 2019/2020 schedule begins Tuesday, September 3, 2019. Our last month of the dance year is May. You may join a class at **anytime** (private lessons can be scheduled to catch up dancers who start late). For dancers dropping or adding classes, please email mccartneydance@gmail.com prior to the next month to ensure proper billing.

Annual Registration Fee - \$25/dancer \$35/family

Our registration fee is required for each dancer and is non-refundable after their first class.

Payments

We are transitioning our office management using a new online system which will make it easier to make payments online, automatically generate bills, send receipts, and allow families to view payment history. Families can still pay with cash or check if preferred. You can pay monthly, every 3 months, or for the dance year (Sept-May).

Tuition will be **prorated** for new students when joining a class that has already started. Tuition is paid monthly, and is due the first week of the month. If tuition is more than two weeks late, a \$15 late fee will be added to tuition.

Dancers in our Performance Teams will be committing to performing at shows throughout the year, particularly during the month of March. Our Claddagh Performance Team is for dancers that have Irish dance experience, but have not been a part of our previous year's performance team. The Crossroads Performance Team is invite only, and may require an audition.
